Dear Paul:

Enclosed is the memorandum of understanding for the London end of the Islamabad remote unit. Please make a copy for [redacted] after he signs and return the original to me. (C)

B&F suggests that the best way to handle payment would be to have BBC bill London Bureau, quarterly or at whatever intervals BBC wishes. You could then pay BBC from your bureau allocation (SOC 2540) which we would increase by the necessary amount. Let me know if that is all right with you and BBC. (C)

I suspect you are settled in by now. You may be interested to know that in your escape you managed to miss one of the hottest, muggiest Washington summers in memory. (U)

Best,

Bill
